## TERMS OF SALE

1. This sale is an unrestricted Public Auction and Mail Bid Sale. All bids are to be entered by lot as numbered in this catalogue. Mail Bidders should feel free to bid as much as they wish knowing that we will buy the lot, if possible, below their bid. Thousands of bidders to KATEN SALES can attest to this statement.
2. Prices given following lots are estimates of today's market, and only intended as a guide. You may bid higher or lower as you wish.
3. Auction Sales are not approval sales. By submitting your bids you agree to the Terms of Sales herewith set forth. No lot may be returned without written permission, and request must be made within three days after receipt of books.
4. No commission, service charge or other extras will be made for executing your bids. Only the actual cost of mailing and insurance will be made, plus a flat \$1.00 handling fee per order for packing and processing. This applies only to books. (Other cataloguers charge 50¢ per lot)
5. Bidders unknown to us must furnish references two weeks before the sale date or send a deposit equal to 25% of their bids. Bids will not be executed unless this is followed.
6. Sales are strictly for cash in U. S. Funds (unless other arrangements have been made). Payment must be made immediately upon receipt of notification or delivery.
7. All books are as described. The actual title in a foreign language is given - the cataloguer interprets the title and is in parenthesis.
8. We acknowledge the possibility of errors or typographical mistakes, and any errors or mistakes on our part will be corrected. Please be careful in placing your bids, as we cannot be responsible for your errors. We instituted the duplicate bid sheet 20 years ago for your protection.
9. Please allow at least three weeks for delivery of lots as this sale of such great magnitude requires much time for careful checking and packing.
10. A list of PRICES REALIZED will be published about two weeks after the sale. By Marking your bid sheet or ordering before the sale date, the price is \$2.00. This catalogue and price list could prove to be a worthwhile bibliography of numismatic books at today's market.
11. Lots delivered in the State of Maryland are subject to 3% Sales Tax, and will be added to the invoice.

BOOKS WILL BE AVAILABLE FOR INSPECTION at the office of the cataloguer:

14717 New Hampshire Avenue, Silver Spring, Maryland

on Wednesday and Thursday, October 16, 17, 1968, from 10:00 A.M. to 5 P.M., or by appointment. No lots may be seen or delivered during the sale days.

## FOREWORD

It is with a sense of deep pride that we present the Numismatic Library of Mr. FLOYD B. NEWELL, of Rochester, N.Y.

Since 1936, Mr. Newell has been an ardent numismatist, making many slides of coins, but particularly interested in the collection of Numismatic Literature. For many years, he has been engaged in the compilation of a bibliography of Numismatic Literature and has painstakingly, in hand-writing, compiled a volume of over 500 sheets, about 2 inches in thickness of literature, marking the prices for which the items were sold. This interesting labor-of-love is Lot No. 307.

Mr. Newell who retired in 1959 has had an interesting career. He graduated from Syracuse University as a mechanical engineer. He taught in the aviation school of Cornell University, tested airplane engines at the Bureau of Standards in Washington, D.C., and designed and tested airplane engines at McCook Field in Dayton, Ohio until retirement.

Included among his honors is the A. N. A. medal of merit for his work on impression type slides of coins, tokens and medals. He is also past-president and honorary life member of the Rochester Numismatic Association.

We sincerely thank Mr. Newell for entrusting his important collection of numismatic literature to us for sale in our 32nd Auction Sale, as well as thanking all of the other consignors with much fine material.

We have prepared, we believe, the finest and largest Numismatic Literature Auction Catalogue ever issued. It contains 3427 lots of fine material, some of which is seldom seen on the market. We have prepared an 'Easy Finding Index' for your pleasure, to make it easy for you to locate lots in the series in which you are primarily interested. Use it, for it will save you much time.

Thank you - and good bidding.

FRANK and LAURESE KATEN
